OPPORTUNITY Houston has added more than 45,000 tech workers since 2010, the second highest increase in metropolitan areas nationwide

SCALE There are roughly 20 small business for every 1,000 Houston residents

FUN FACT Aside from being the first word ("Houston") spoken on the moon, Houston is a large city. In fact, the total area of Houston is so large, it could contain the cities of New York, Boston, and San Francisco at the same time. It's also bigger as a city than the entire state of Maryland.
