TRENDS Forbes reported that San Antonio has seen the largest increase in millennial population of any U.S. city (9.2%)

BUSINESS CLIMATE San Antonio ranked #9 in the 2016 Kauffman Index of Growth Entrepreneurship, which ranks US cities based on three categories: rate of startup growth, share of scaleups, and high-growth company density

FUN FACT Amazon named San Antonio the "Most Romantic City in the U.S.", due to the fact that San Antonio residents purchase more romance books and movies than residents of any other city in the country
